CONDOR TREK

4 DAYS

*The Condor Trek is an exclusive trek organized by LA LENGUA, which brings you through the central **Ecuadorian Andes**, where you can observe the **fascinating nature** with its waterfalls, snow-capped mountains, rivers and lagoons. The bleak plateau of the **ecological reserve “Antisana”** is the habitat of **condors**, ducks, Andean seagulls, hummingbirds, rabbits, bears, foxes and weasels.*

ITINERARY

DAY 1: Río Tambo

09h00 departure to the Tambo reserve, where we start trekking. At noon we relax and have picnic. In the afternoon we walk to the first camp site beside the volcano lagoon. There you have the option to do some activities. Dinner and overnight.
